Honorable Judge Carolyn Nichols,

My name is Frank Leonhardt IV and I am 23 years old. Greg Spector has been a very close friend of mine since elementary school. I have known him for about 15 years. Greg and I grew up together. We played baseball together and hung out all the time. I have always seen him as part of my family, not just a friend.

Greg has always been an upstanding citizen and a positive influence in the community. He is very hard working and loves to help people which is why he being a fire fighter for our township is a great thing. He is an amazing husband to his wife Ashley and an amazing father to his two little girls Kyliee and Lily. He has always treated every person he has met with politeness and respect. I have known Greg for over a decade and he is a really good man in this community. I went in the US Navy in 2012 I am currently stationed in San Diego, California and we still keep in touch via phone and letters .

Very Respectfully,

Frank Leonhardt IV
