Honorable Judge Carolyn Nicholas

Your Honor,

Let me introduce myself, my name is Gary Fabiano. I am a lifelong friend of Lonnie Spector's and an Honorary uncle to Gregory Spector. I am a father of 2 children, one just starting college and the other in high school. I reside in bucks county Pa., in same neighborhood were Lonnie and I became friends 40 years ago .

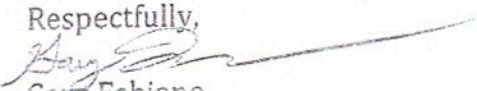

I am a teamster in Philadelphia who works on all the Hollywood movies that have come to this area for over 27 years. I have had the privilege of being friends with Lonnie since the age of 8 and have watched him grow into the man he is today.

I have been alongside him as he actively got involved in the community, donating thousands of hours in coaching, sitting on community Rec board, organizing fund raisers for his kids teams and the community kids. Lonnie has shown hundreds of kids how to play sports with an ethic and responsibility in which the games should be played and teach them to be law abiding citizens. He was shadowed by his son Greg Spector who has taken up the torch that Lonnie has carried for so many years. I have known Greg Spector since he took his first breath, and watched him grow into the man he is today.

Greg has helped 100's of people if you take in consideration all he has done in short adult life.

Greg has volunteered thousands of hours in saving lives' through the blood drives alone that he put together all by himself. No one can fill Greg's shoes when it comes to helping the community. Greg is also a fire man and part of the rescue team in Bucks county. We the residents are at loss. One example of how Greg has put smiles on kids faces during the holiday's is when he came to me asking if he can borrow my trailer to build a Santa sled on it. Taking weeks to put together from extra wood he saved from jobs and asking around what people were not using so he could complete this project to have on Christmas Eve to bring joy to the community. Again giving his time to pull thru the entire township giving candy to the kids. Lonnie and Greg and the Spector family have made this practice a family tradition. I respectfully ask that this court keep this in mind and take mercy on them as they are role models in the community and are missed everyday.

Respectfully,

  
Gary Fabiano
