Honorable Judge Nichols

Re: Gregory Spector

Lonnie Spector

Your Honor,

We are writing to you about two very special people in our lives. Our son Lonnie Spector and our grandson Gregory Spector. Please indulge us for a moment to hear a parents thoughts on our son and our grandson as well.

Lonnie had a good childhood life.

Our son Lonnie was taught as a young boy to be a well mannered and very helpful child, whether it was at home, helping family, friends and or neighbors. We have never had any issues with Lonnie getting in trouble all throughout his life. He also raised 2 beautiful polite children. He is the father of Gregory his son and Breanna his daughter. He is always involved in his children's lives with schoolwork, sports, volunteering and running carnivals for the township. He has raised his children with the same core values as we raised him and again his children have never been in any kind of trouble with the law. Or anywhere else for that matter.

Gregory has a wonderful wife whom we love dearly, Ashley, and they together have two beautiful little girls our great granddaughters. Gregory has always been an exceptional young man. Even as a child, he always excelled at anything he tried. He is an accomplished, dependable worker who strives to do his best in all aspects of his life. Gregory is also a volunteer fireman, who has been awarded certificates for his assisting in rescues and is passionate about his work ethic. He is a dedicated husband and father of 2 little girls, devoted son, grandson and brother. He doesn't have a mean streak in body.

It breaks our hearts to know that in a split second that a reaction of fear is what has brought us to this unfortunate situation. We implore you your honor to please take into consideration the lives they led before that unfortunate terrible night. As a mother and a father watching our son and grandson, and entire family go through this horrible time, we ask you from the bottom of our hearts to please don't let any other lives get ruined. Please don't let one horrible night define lifetimes of good.

Please consider all these positive attributes when you are compiling your thoughts for the sentencing process. Thank you for reading this.

Sincerely,

Phyllis and Allan Spector  
Mom-mom and Pop-pop
